Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

We are trying hard to make the learning at school as interesting and as exciting as it was before Covid 19, but inevitably some things just can't happen. Year 5 would have been on their residential trip to Bradwell now and wouldn't the weather have been superb!

Our School Council and Rota Kids have been holding elections as have our Houses for Captains and Vice Captains; all results will be shared with you when they are finalised.

In light of the increased measures being introduced by the government to contain the spread of Coronavirus and their current campaign HANDS - FACE – SPACE, as a precautionary measure, from Monday 21st September, please could all adults wear a face covering whilst dropping off and collecting children from the school premises. I thank you for your support in helping everyone to keep safe.

To coincide with St Mary's Church Harvest Festival Service (10.00 am on Sunday 27th September in the churchyard), the team are planning a Scarecrow Safari over the weekend of 26th and 27th September. It would be lovely if you could make a scarecrow and display it in your front garden that weekend, or make a harvest wreath for your door or a scarecrow out of a paper plate. The Church Links Team will be in school making scarecrows with some of the children.

The team would love you to take part and, if possible, to send photographs in of your scarecrows to kandfchurches@gmail.com or to their church Facebook page @stmaryskelvedon.

I look forward to seeing what you can make and it will be fantastic to see scarecrows all around Kelvedon.

Learning together, *M. Walsh*
