Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us (Luke 2:33)

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Once again we have had another fabulous week at Kelvedon. The children have really settled back into great learning habits already and have shown how resilient they all are.

Teachers have been assessing their needs thoroughly and will be planning more targeted learning to support every child to 'catch up' to the high standards of achievement that we always have at Kelvedon.

As a team we are continuing to look at innovative ways that we can deliver the curriculum and our events with the restrictions imposed on us. Just when we think we have a good solution, the direction in the country changes and we have to re-think our ideas. I thank you all for your understanding and support as we do this.

One example is our much valued sharing assemblies. I was hoping that one parent/carer could join us (30), socially distanced, to provide the audience as we loop the assembly to the rest of the school as they watch from their classrooms. Unfortunately that option has now been removed (rule of 6). However Mr Salmon is working hard to find the best possible solution and it very much looks like we will be able to 'live broadcast' our assemblies as we did with our great singing event two years ago. We do have some confidentiality barriers to get over, but nothing that will prevent us from giving you something to share in.

Our Learning Conferences are still planned for November, but the opportunity for face to face meetings, in the usual way, are diminishing by the day. I will find a way that we can share with you your child's progress and for you to be able to communicate and ask their teachers questions.

Not all of the restriction suit everyone's tastes, but we have a good balance at Kelvedon between keeping you and your children safe and in delivering the learning opportunities that make a difference.

Learning together, *M. Walsh*
