Dear Parents/Carers,

It is great to start with some good news. Miss Reece has been studying hard for the past two years to gain her qualification as SENDCO. I am delighted to report that this week her qualification was completed and that she passed with flying colours. Well done Miss Reece.

Members of the Kelvedon community have organised a Christmas trail around the village this weekend. Be sure to pass the school and see the superb sculpture created by our children in the Mosaic Room – it really is splendid. Miss Taylor, Miss Berkane and Miss Russell have supported the children on this project from recycled or reused materials and it's on display now.

Next week our PTFA are providing a disco/party games with Mr Mojo. Each year group bubble will have a short time in the hall to enjoy a structured activity. The year group team are all on duty to supervise the children. The events take place over three days so that the space can be cleared and ventilated between sessions to reduce risks. Each year group will decide how they are dealing with party clothes and will communicate that information directly to the children and yourselves. The PTFA will be providing every child with a bag of sweets.

PTFA Raffle tickets are still on sale on ParentPay (until midday on Tuesday, 15th December) – an amazing selection of Christmas hampers to be won!

Next Thursday is our Christmas Dinner and Christmas Jumper Day. A minimum donation of £1 is welcomed to support the Rota Kids chosen charity Save the Children. Every child will receive a free Christmas cracker with their dinner or their packed lunch.

We are unable to visit the church this year for our carol service, but our Church Outreach team have provided lots of support with Advent services and Father Simon has recorded a special Christmas Service.

Don't forget that tomorrow from 2.45pm ex pupil Jasmine Holland, is inviting you to support her Bake Sale as she raises money for Meningitis Research Foundation. Cakes will be on sale from the green and yellow shelter on the front playground.

Everyone has worked and focused so hard during this long autumn term. Just one week to get through folks and then I hope that you will be able to enjoy some well-deserved family time over the Christmas break.

Learning together, *M. Walsh*
