COVID -19 (Coronavirus) School Closure – JANUARY 2021

Thursday 31st December 2020

Dear Parents/Carers,

Yesterday, the government announced that schools in our area would not be opening on 4th January as planned.

School will be closed to everyone, including the Nursery, on Monday 4th January.

Remote learning will resume on Tuesday 5th January through your child's class blog.

Teachers will endeavour to make the learning interesting, stimulating and accessible. They will provide a variety of tasks and challenges for your child to pick from or work through. Please do what you can. The mental well-being of your child is the most important factor and if that is cared for then they will recover lost learning far quicker.

School will be open from Tuesday 5th January for vulnerable children and those of CRITICAL Key Workers – if you are working from home, you need to look after your child.

If you believe your child is vulnerable and should attend school, or that you are a CRITICAL Key Worker, then please e-mail the school office on admin@kelvedonacademy.com by 12:00 on Monday 4th January stating your intention to send you child to school, so that I can make the necessary plans and arrangements.

I will be in contact with you again on Monday to update you further about arrangements and timings.

Very soon we will be singing again and making great memories. I can see the edge of the woods ahead of us, the sky is blue and the sun is warm.

Happy New Year,

M Walsh

Mr. M Walsh Headteacher
