COVID -19 (Coronavirus) School Closure – UPDATE 4th January

4th January 2021

Dear Parents/Carers,

The school will remain closed until further notice, except for vulnerable children and those of CRITICAL Key Workers – if you are working from home, you need to look after your child.

Those who have identified themselves as having vulnerable children or are CRITICAL Key Workers have received a separate letter explaining what they need to do.

For every other pupil, remote learning will begin on Tuesday 5th January through your child's class blog and tasks will be posted daily by 09:00.

Teachers will endeavour to make the learning interesting, stimulating and accessible. They will provide a variety of tasks and challenges for your child to pick from or work through. Please do what you can. The mental well-being of your child is the most important factor and if that is cared for then they will recover lost learning far quicker.

Teachers will not all provide learning in the same style. They will use their best skills and knowledge of their classes to provide appropriate and accessible tasks.

For further tasks, you may like to use the Oak Academy website www.thenational.academy provided by the DfE.

I will keep you updated as and when events develop. Please be aware that neither I nor the school receive any notice of government plans ahead of any of their announcements. You hear their plans at the same time as I do.

I am sure that this is our last big effort to jointly put an end to this virus and its disruption. I thank you in advance for your support and understanding.

M Walsh

Mr. M Walsh Headteacher
