Headteacher's Message

This week I had the pleasure of leading my first Gold Book assembly at our academy and what a wonderful celebration it was! As you will be aware, we champion the learning habits that set children up to be life long learners. At Kelvedon, we know that effective learners are:

Responsible, Resourceful, Reflective and Resilient. They are open to risk-taking and can demonstrate reasoning.

The badges that the children receive in our assembly are worn with pride and are a constant visual reminder of the learning habits we are aspiring to demonstrate.

Gold Book assembly also provides an opportunity for our teachers to highlight individual children who have gone over and above to demonstrate our school values. This week, every teacher praised children for taking responsibility for making progress in their learning and showing a level of respect that creates a positive and caring environment for all to learn. It was a real treat to listen to so please, when your child is chosen as Star of the Week – take the time to ask them about their teacher's comment in assembly. I have no doubt it will leave you with a feeling of absolute pride!

Next week our Year 6 children set off on their exciting residential adventure. I know Mrs Lawrence, Mr Taylor and the team will be updating the class blog with highlights from the week so please do take a look.

Have a wonderful weekend,
Lois Osborne
