Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us (Luke 2:33)

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Welcome back to school everyone! It was wonderful to see everyone back at school and enthusiastic to learn. I am looking forward to having a tremendous year of learning with you all.

We will continue to sanitize and wash hands regularly and support the children to be hygienic, but everything else in school will be returning to normal. I look forward to seeing the children enjoying the special way that we learn together at Kelvedon.

Next week we have our superb Art Solutions team coming in to help the KS2 children make our great displays around the school. Later in September they will be back to do the same with KS1 children.

We will need some support from parents and carers – your child's class teacher will let you know if they need your help. We also need lots of newspaper, small cardboard boxes and plastic tubs (for the glue). If you have any, please send them in with your child. **Please can everyone remember to wear an art apron to protect their school uniform from glue and paint.**

Our year team meeting start next week and the teams are looking forward to welcoming you back into school. This is an opportunity for the teachers to explain to you what will be happening this year and the best ways that you can work in partnership with them to best support your child. I do hope that you will be able to attend.

Our annual 'Skip Papworth' Poet Laureate Competition for 2021/22 will take place over the next two weeks. Any child can enter by writing a poem on any theme of their choice and submitting it to me by Friday 17th September. Who will be our 9th Poet Laureate and follow the great tradition of high quality writing that our first eight have set?

Our new nursery building and hall will be completed next Friday. It is a wonderful looking building and I am extremely delighted to see it on our site. Our governors have worked hard with me to achieve this dream and we have managed it through our resourceful and practical approaches to developing the school estate. May I thank you all for your patience during the build, and particularly to our neighbours, and hope that it has not been too disruptive to you.

Please can parents/carers remember to inform the office if you have any contact detail, emergency contact or medical information changes for your child so that our records are up to date.

Learning together, *M. Walsh*

PTFA: Easyfundraising is the simplest way to raise money for the school.
