Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Key Stage 1 enjoyed their learning with our fabulous Art Solutions team this week. They have produced some splendid displays with dinosaurs, which make a terrific impact around the school.

Join me in thanking Mr Collingwood for his co-ordination of this event, Miss Burton and Mrs Storey for their support with resources and, of course, the team from Art Solutions.

From October, we have the return of our Sharing Assemblies. They start at 09:10am on a Friday and the Parents/Carers of the children in the class sharing are welcome to join us. It is just one of the events that parents/carers are invited to that gives them a better understanding of the unique way that we learn at Kelvedon. I do hope that you will be able to join us when it is your child's turn.

Thank you for your patience whilst the front gates are closed. The new building had to be connected to the main school water supply and the pipe was not where it was supposed to be! After more excavation than intended, eventually all was sorted. As the team located the illusive pipe, they noticed that there was a leak at the meter – rather than tarmac over the hole and then have Essex Water dig it up again, I have asked them to fill it, fence it off and it will mean that when Essex Water arrive later this week/next week to fix it, they should be able to sort the problem quicker.

The bike shed is open and can be safely accessed by the children, but do be careful of the mud.

Nursery children moved into their new classrooms on Wednesday 22nd September and ABC club will operate from the new hall from Monday 27th. Private access for both will be from the entrance on Docwra Road, as it was in the past.

Mr Faithfull's class moved back into base 10 on Wednesday ready for Thursday 23rd – and all is back to normal!

Thank you everyone who attended our Join Your Child for English sessions. I had some terrific feedback from you. Year groups have also posted information on their blogs for those who were unable to attend.

Next Friday, 1st October, the PTFA are running their annual Non-uniform Day. If your child wishes to come in non-uniform on that day, all you need to do is to donate a small prize that they could use in their raffles this year. What to bring? Here's a few suggestions... Wine, sweets/chocolates, vouchers, unwanted gifts, toys, games, gadgets, toiletries. I do ask that you only bring in new items please so they can use them. This has always been a great support and well received. On the day, please drop donated prizes to the marked zone under the playground canopy with the PTFA volunteers.

Learning together, *M. Walsh*

PTFA: Easyfundraising is the simplest way to raise money for the school.
