Dear parents/carers,

Club places are offered on a first come, first served basis and you will need to sign children up via ParentPay. **Please note that places are offered on a termly basis only and you will need to reapply for a place each term.** If your child is unsuccessful in gaining a place, please contact the school office and your child will be placed on a waiting list. These children will then be offered a priority place the following term, as long as the club continues to run.

Enrichment opportunities are a significant part of our curriculum offer and our vision - to inspire wisdom.

Influenced by the Church of England's vision to educate for **'life in all its fullness'** (John 10:10), our focus on wisdom prioritises the spiritual, physical, intellectual, emotional, moral, and social development of our children. We aim to inspire wisdom with a **golden thread of deep knowledge, critical thinking, strong communication and exciting learning opportunities** running consistently throughout our curriculum, including our enrichment programme.

We want children, who graduate from Kelvedon St Mary's, to be:

- Deeply knowledgeable**
 At Kelvedon St Mary's children grow the cultural capital they need to succeed in life through the teaching and learning of essential knowledge. Our focus on knowledge aids reading comprehension, enabling us to champion a love of reading. We are very aware that some knowledge is best learnt first-hand and so through an extensive programme of rich experiences our pupils develop their own character and interests.
- Critical thinkers**
 Our teachers create the conditions for investigation, practice, reasoning and questioning of knowledge to develop our pupils higher order thinking skills.
- Excellent communicators**
 We are a vocabulary rich school, where children are supported and challenged to develop their spoken language skills.
- Excited to learn**
 We ignite a lifelong enthusiasm for learning that enables every child to reach their full potential.

We are asking parents for a voluntary contribution of £5 per club place, per term. This will enable us to effectively staff and resource clubs, ensuring they are of the highest quality possible.
