Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Welcome to 2022!

I hope that you were all able to enjoy your Christmas break and that you had a chance to relax and re-charge your batteries ready for an exciting spring term of learning. Teachers have planned some fantastic learning experiences for the children that will make incredible memories. We are going to make the most of every situation and opportunity that we have.

I took the decision to cancel our planned 'join your child for maths' sessions, as the Omicron variant is so transmissible and the risk of involving you all so soon after Christmas was too high. I also don't want to jeopardize future events, so I am sure that you will agree with me, this was a sensible decision.

The PTFA have provided us with a lovely new bike/scooter shed for those coming to school through the back gate, and thanks to Mr Knight and assistance from Mrs Poels, Mr Edwards and Mr Brown it is up and being used.

The PTFA also funded a great new bird hide, bird watching equipment and a number of feeders and bug hotels which were installed just before Christmas. Mrs Emson and the School Council are already taking action and organising an event to get children using it.

Thank you everyone for your vigilance and effort in keeping our school open. By helping your children to be hygienic, wash and sanitise their hands regularly, understanding social distancing and keeping them off if they are showing symptoms, I have been able to maintain a consistent education in the school (I hope I am not speaking too soon and tempting fate!)

The days are already lengthening and when the sky is clear there is a sense of hope in the air. Life is precious and we all need to make every moment count. That is why everyone in the school team is dedicated to making this a brilliant spring term of learning and full of rich and rewarding experiences.

Learning together, *M. Walsh*
