Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us (Luke 2:33)

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

It has been another great week of learning at Kelvedon. The warmer weather has enabled more teaching and learning to take place outside in the fresh air and the children have responded well to this.

I have been very impressed with how well all of the children have remembered our school values and our 6Rs of how to be great learners. The summer term has got off to a flying start because the children are so keen to learn and to get back to school – thank you all for supporting them so well to do this.

Key Stage 2 children have been competing in the classes at different athletic events in preparation for next Wednesday's Athletics Finals Day. On the day, they will represent their classes to compete to be the fastest runners in the year group. Mrs Bull has organised the event and it will be our first proper event since 2019.

Our sharing assemblies start again tomorrow with year 3 putting a video together on their blog describing all of the learning that they have done based on their Stone Age experiences. The video will be available from Friday for you to view at your leisure.

Next week it will be 2H that will be sharing their learning on Friday.

Keep smiling everyone and enjoy every opportunity that every day presents us with.

Learning together, *M. Walsh*
