Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us (Luke 2:33)

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

On Monday you should have received your letter regarding our up and coming learning conferences that will replace, due to the lockdowns, our normal end of year report. I am sure that you and your child will feel that a conversation about their learning, and how well they have managed to recover their skills during the difficulties of the last two years, will be more beneficial than a paper report.

If the government road map continues as planned then the conferences will take place in the hall as usual – if anything happens differently, I will adapt the plan, but the conferences will go ahead.

From time to time I look at year groups and the balances of each class. As children come and go from the school, and during the past two years there have been a number of transfers, the balance of boys and girls, gifted and talented, educational needs and increasingly, medical needs, means that I need to adjust the learning dynamic of each class. This has been one of the attributing factors to maintaining outstanding learning at Kelvedon – which you all appreciate.

I am currently reviewing ALL classes and year groups for the start of the next academic year. The children will find out their new class and new teacher when they meet them on Friday 9th July and in the newsletter that day I will report the staff structure to you all.

Tomorrow's sharing assembly video is by 6T and will be available on their blog from tomorrow. Why not visit the year 6 blog and see what 6T have been learning?

I hope that you all have a lovely half term break and that the sun finally comes out to play. Don't forget that school is closed on Monday 7th June and reopens for the final half of the summer term at 08:45 on Tuesday 8th June.

Learning together, *M. Walsh*
