Dear Parents/Carers,

Welcome back to the second, and final, half of this summer term of learning. Gradually we are being able to deliver more and more of our great learning experiences that capture the imaginations and enthuse the children, helping them to learn more.

Years 2 and 3 and years 4 and 5 will be building their annual production experiences, postponed during lockdown, and both will be recording them to ensure that everyone can view them.

The year 2 and 3 production will go live on the blog on Friday 2nd July and the year 4 and 5 production on Friday 9th July. It's not easy filming and blogging events such as this, it would be much easier performing live, so please support your children and their teachers as they develop new skills to make sure this event happens.

Please note that the summer concert has been moved from Tuesday 22nd June to Wednesday 7th July in a hope that it can be performed live.

Mrs Openshaw, our governor Chair and Church Outreach Leader, has reported to me that at the family service held in church last Sunday, Taylor Scott of 2S read the lesson. This was the first time he has done this and he read it beautifully. It's not easy to stand up in a big church in front of a lot of adults and read clearly, slowly and with understanding. We are all so proud of Taylor for being brave enough to take on a new challenge.

Someone at home time allows their child/children to continually knock over all of the chess pieces. Every day this is happening! All children should be supervised at all times and you should be leaving the site quickly. Please respect the lovely things that are provided for all to enjoy!

Tomorrow's sharing assembly video is by 4R and will be available on their blog from tomorrow. Why not visit the year 4 blog and see what 4R have been learning?

Learning together, *M. Walsh*
