Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

We started the final term of the academic year as we mean to go on, with sensational learning experiences at Kelvedon.

On Thursday, Y4 had the rainforest and its animals come to school and the children were all very excited to meet a range of different species and learn, first hand, about how they live.

On Friday night, Y3 came back to school to sleep over for the night and they had a completely different animal experience to Y4 to kick off their great experience. This is their first stay away from home and each year we build on this experience so that when they go away for the week in Y6, they fully feel the benefit of the experience AND it gives you all better value for money as you are confident that your child won't be homesick!

All of these experiences, and much more, can be viewed on the class blogs – take a look at what is going on in the other classes and not just your child's.

On Tuesday, I joined Mr Faithfull and the football team at the Colchester Festival. In very sunny conditions the team won through to the play offs undefeated and after a comprehensive win in the quarter finals they lost a tight semi-final 0-1 to the eventual winner, St. Johns. Join me in congratulating all of the players that took part for their magnificent team effort.

When we have our Open Evening of Learning on June 30th, you will be able to have a go at learning in the different classes as well as celebrating the tremendous achievements that each class has had.

We are so lucky at Kelvedon to have such brilliant, open minded and hardworking teachers and staff that plan so many memorable learning experiences for the children.

Next Wednesday, Dame Alison Peacock, CEO of The Chartered College of Teaching, will be visiting us. She has heard so much about the different ways that we learn (and are successful) at Kelvedon and she wants to come and see for herself the amazing learning and hopes that we will share it with the wider world.

The PTFA have generously funded a free Inflatables Event on Tuesday 19th July, during school time, as a gift to me and the children on my retirement, so we can have a great time bouncing together! Each class will have a time slot to join me and have some fun.

There is no sharing assembly tomorrow, instead, Bishop Roger, The Bishop of Chelmsford, will be coming to take our assembly and collective worship.

Learning together, *M. Walsh*

PTFA: Easyfundraising is the simplest way to raise money for the school.
