Dear Parents/Carers,

I have great news for the start of the new school year in September. I have managed to secure our team from Art Solutions to come in and work with the children to transform our school again. This is a project that I have been able to provide, free of charge, every two years that builds the children's team working skills and makes our school look great.

In preparation for this project can you please start saving your large plastic ice cream or margarine tubs and your newspapers.

I will also, at the end of term, conduct the free raffle to take home parts of the existing displays – who will be lucky enough to get the woolly mammoth?

On Friday 9th July the Home Secretary Priti Patel will be paying a flying visit to the school as part of her annual campaign to 'Get Witham Reading'. We always creatively join in this project and this year Miss Taylor has coordinated a lovely event involving the children reading and recreating similar traditional tales from different cultures.

Teachers and children are excited about the project and are looking forward to showcasing what they have done to Priti.

As I want Priti to see our children at their best, I have moved our planned PTFA Break the Rules day to Friday 16th July.

On Friday 9th children will get to meet their new teachers and classes. As always at this time of year, we will be saying a sad farewell to some members of staff and welcoming new ones. Miss Taylor will be leaving us at the end of the year to start a new life with her family in Canada. Mrs Hewitt will become our new teacher in charge of the ASC. Mr Salmon is also relocating to Norfolk to be closer to his family as he starts the next chapter in his life as a father. Mrs Prideaux will be retiring from her HLTA role after 21 years' service to the school. Mr Beazeley will be leaving too at the end of his contract to start at his new school. I will announce the new teachers on Friday 9th. I am sure that you will join me in wishing all of the staff leaving the best of luck for their futures and also in thanking them for everything that they have done for the children.

Don't forget that school will be closed to pupils next Friday as I am holding a staff training day.

Tomorrow's sharing assembly video is by Year R and will be available on their blog from tomorrow. Why not visit the year R blog and see what they have been learning?

Learning together, *M. Walsh*
