Please clearly indicate below what you would like for your child's lunch below, and return to the school office along with the rest of your completed paperwork.

If your child has specific allergy or medical dietary requirements, please visit the school's website www.kelvedonacademy.com and the school meals page. Here you will find a guide for parents and a link to follow, to provide details directly to the school caterers in order that they can accommodate your child's needs. This obviously requires planning and therefore it is advisable to do so as soon as possible. If you have any questions about this, please email kitchen@kelvedonacademy.com
