

# WE NEED A CHEF!

Are you enthusiastic, a good cook and an innovative multitasker? Then, this could be a fantastic opportunity for you. As Mario's Pizzeria is opening next month, we are looking for an experienced pizza chef.

The person we are looking for should be familiar with traditional pizza equipment like a pizza stone and a brick/stone oven, have flexibility to work shifts (especially weekends and evenings), some work experience as a pizza chef, good communication skills and a team spirit.

As this is a full time job, you will need to work from 10am to 9pm with one break at 2- 2.35pm and another break at 7-7.45pm. If you think that you are the person we need, email or send a letter to [MariosPizzeria@hotmail.com](mailto:MariosPizzeria@hotmail.com)
