

My Romeo and Juliet Song!

There once were two rival families
The Montagues, The Capulets,
Romeo a Montague, Juliet a Capulet
They fell in love
Bad, sad love

CHORUS

They were just a call away,
Just a dream away
But their families
Said no
And the pair walked away in woe **(x2)**

But things got brighter,
Romeo
Visited
Juliet and
They got married with the help of Friar
Lawrence
The very next day

CHORUS

Things took a turn for the worst,
Romeo had to fight Tybalt
The cousin of Juliet
But Tybalt ended up killing Mercutio
The friend of Romeo
Romeo got very angry
Ended Tybalt's life
Was banished to Mantua
And the pair were apart

CHORUS

Juliet needed Friar Lawrence's help
Her father was
Going to marry her
To
Count Paris
She wanted to be with Romeo
So she took a potion, made her look dead
But Romeo didn't get the message
And Friar Lawrence's plan was failing

CHORUS

Romeo came
Saw Juliet dead
Killed himself
Juliet woke up
Saw Romeo dead
Killed herself too

CHORUS

The families saw the error of their ways and
Made up
There never was a story of more woe
Than this
Of
Juliet and Romeo
CHORUS x2
