

Cat Molly Veeko

The Leader.

INTRODUCTION

Cat was born on the 19th of July 1999. She has short brown hair with blue eyes. She weighs 60kg and is 1.78m tall. She was born in Tennessee, U.S.A. She also has a love for animals. Cat decided to be a racing cyclist to raise money for her family.

SKILLS AND EXPERIENCE

Cat has been cycling since the age of 4 with her father and siblings. Sometimes, they did bike rides as far as 80 miles a day! She is best at time trials. She has already cycled The Tour De France twice but on her own.

BACKGROUND

Cat grew up as one of 5 with just her father as her mother had passed away. Cat was one of the youngest but had to still do many jobs. She grew up on a farm and built (with her siblings' help) her first bike when she was only 4 years of age. Her father passed away 2 years ago leaving his house to the eldest, Mary who is now 36.

ACHIEVEMENTS

Cat has won several awards including gold for under 25s and silver for over 18s. She is looking to win the white jersey this year.
