Issue 6

Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

The autumn term has shot by at great pace. Both year 5 and year 6 have returned from their residential experiences and every year group has grown in their learning and made terrific progress already. Please take time to reflect on all of the exciting learning experiences and opportunities that your child has already had this academic year. Our 'Open Door' takes place next Thursday from 3pm where you can share even more of what your child has been learning as they guide you beyond their books. Keep even more up to date on their activities by visiting their class blogs too. You can 'opt in' to get alerts when your child's year team publishes on the blog and likewise you can simply 'opt out' if you are still getting alerts from their previous year group blogs.

You should have received a letter about our autumn term pupil and parent learning conferences. Your child will still produce a 'one-page summary' evaluation highlighting what they are good at (because we want them to do more of what they are good at) and some of their challenges. In response to your feedback earlier in the term, parents/carers of children in years R, 1 and 2 do not have to bring their child to the conference, **but you can** if you choose to. Children attending will, through their 'one page summary', talk about their learning with you and their teacher and your discussions will be formed around this.

In addition, your feedback has shown that the summer day of learning conferences scheduled for Thursday 4th July 2019 is not as valued so I have cancelled it and will use the school closure day for alternative staff training. Parents/carers who still wish to speak with their child's class teacher after receiving their report will be able to arrange to do this.

Our popular and well supported book fair returns again next week. Another great opportunity to add stunning new titles to your family library.

Finally, may I remind you that tomorrow's sharing assembly will be Year 6 Kingswood Residential, Mrs Lawrence's and Mr Taylor's classes. It starts at 09:10 and parents/carers of class 6L and 6T are welcome to join us.

Learning together, *M. Walsh*

PTFA News: The lottery winner for last week was Colleen, winning £14.10
Buy your tickets from www.yourschoollottery.co.uk

Are there any parent accountants that would be interested in examining the PTFA accounts? It can be anyone that is not linked to anyone on the current committee. Believed to be only an hour or so of work. If so please contact ptfasecretary@hotmail.co.uk.

Easyfundraising is the simplest way to raise money for the school.
