Making
Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Thank you everyone who was able to 'join your child for maths'. It was great to see, once again, such fabulous support from parents and carers. The partnership you help provide between your child and their class teacher is a tremendous help in your child making the best learning progress.

I am pleased to announce that, for yet another year, the hard working PTFA have kindly donated £500 to each year group. This helps them to subsidise visits, visitors and special events throughout the coming year. Join me in thanking the team for their hard work and commitment to improving the opportunities that all our children have.

Thank you everyone who returned their survey on school meals. I have forwarded the responses on to our team at Edwards and Blake, along with a survey completed by the school council, and you should see the changes being incorporated as the year develops.

Another survey that was completed last week was asking for your thoughts on changing the structure of the autumn term. I received 53 family votes against the proposal and 79 family votes supporting the motion **to investigate the feasibility further**. As I stated in the survey letter, this was not a vote to make it happen, but for me to research the possibility further. I do not intend to create a 'Brexit' situation, but will look deeper into this matter. If I find this to be a reasonable proposal for the future then I will give you plenty of notice. Thank you for taking the time to give your opinions.

Please can all parents and carers be reminded that the car park at the front of the school is for staff use only and is not to be used as a drop off point unless you have permission from myself for personal circumstances.

Learning together, *M. Walsh*

PTFA News: The lottery winner for last week was Jane, winning £12.90
