Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Join me in congratulating our magnificent cross-country team, who for once ran in warm spring conditions, as they took part in the area championships last Thursday. The team, ably trained by Mrs Bull, showed great respect to other runners as they battled for track space. All runners gave terrific accounts of themselves and Jessie Skelt of 6T achieved a notable first place in her race. Jessie goes forward to represent our area and school in the County Finals later this term. Well done everyone.

Last week Miss Taylor and her team organised the Book Fair and raised a staggering £1,100 in commission for new books for our library. Thank you everyone that supported Miss Taylor and everyone who bought new books for their home libraries.

Yesterday Miss Taylor organised our World Book Day. It was great to see the children dressed as their favourite book characters and the imaginative and resourceful costumes that they came up with. The children enjoyed the visit of two authors who helped to make it a wonderful day all round. Thank you everyone involved in making this such a great day.

On Wednesday our School Council, Mrs Emson and Miss Baker organised and hosted Trinity Road Primary School Council in the sixth such exchange that our school has initiated. We will pay a return visit to Trinity Road before holding a school improvement conference with the children in the summer term.

Next Wednesday our year 3 children will be hosting our Community Communion service at 10:00am here in the school hall. Any member of the Kelvedon community is welcome to join them.

On Thursday next week, our rugby team compete in the County Finals at Southend RFC. Mr Taylor has coached the team well; he is very optimistic that they will be competitive at this higher level.

This year's parent/carer questionnaires have been distributed. Your feedback is very important in helping me to get things right for you in school and in helping me to shape the future.

Next Friday at 9:30am Miss Johnston is leading a school wide singing event and hoping to live stream podcast it to you all in your homes and offices. Each year group has learnt a song and we will come together in celebration and hopefully the technology will allow you to experience it too – more information to follow next week.

Learning together,

M. Walsh

PTFA News: The lottery winner for last week was Jamie, winning £11.10
