Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Tomorrow, Friday, Miss Johnston premieres her new curriculum idea, our very first singing celebration. Each year group has enjoyed learning a song together and will share it with the rest of the school in a special concert. Risk taking even further the celebration will be broadcast live so you can enjoy it too from your work desk or home!

At 9:30am, click onto our website and onto any of our class blogs – Mr Salmon assures me that you will be able to hear a podcast of the event as it unfolds. I have been given the unenviable task of compering and filling the gaps – so forgive me now if I 'Alan Partridge'. I hope you get a chance to listen in.

Thank you everyone who came to our Year 3 communion yesterday. It was a lovely learning opportunity for the children and a great chance to mix with our church community. Join me in thanking Father Simon and his team and Mrs Colgrave, Miss Taylor and the Year 3 team for making the event so pleasant.

Next Friday, 22nd March, our Rota Kids are holding their Spring Charity Day. This year they are collecting for Farleigh Hospice by holding a 'Rock, Paper, Scissors' mass contest. To join in children are asked to contribute a minimum donation of 50p. The winner will receive a £20 gift voucher of their choice. As we dressed up for World Book Day, the Rota Kids thought that this would be a good way of raising money with something new and different. A representative from the hospice will be speaking to children in assembly on that day about their work.

Next Tuesday Mrs Bull is once again leading our annual House Matches event. Children from each house will be competing in a variety of different sporting activities to win our magnificent house trophy.

Learning together, *M. Walsh*
