Great
Memories

Our Vision is to create an environment where every learner has the opportunity to amaze us

Good learners are: Responsible; Reflective; Resourceful; Resilient; Reasoning; Risk Taking

Dear Parents/Carers,

Welcome back after your half term break to the final seven weeks of learning this academic year! We have a great term ahead of us and I know we will be making great memories for everyone.

Children and teachers are now preparing their annual evaluations (reports), reviewing their learning successes of the year, and they will be sent to you this year on Friday 12th July. Please remember that, after two years trial, the learning consultation day was cancelled after your feedback. When you receive your child's report you will have an opportunity, should you need to, to arrange a meeting with your child and their class teacher to discuss their report during the final week of the term.

During this term we support children in their transition through the school and on to secondary school. On Tuesday 18th June each class has the opportunity to sample the learning in the year group that they will be in next year. This is with the current class teacher in that year group – **THIS IS NOT THEIR NEW CLASS TEACHER!** Children will meet their new teachers at a further transition event on Friday 12th July. I will inform parents/carers of classes in the newsletter on the same day.

Don't forget to put our 'Open Evening of Learning' in your diary. It will be held on Wednesday 3rd July between 5pm and 7pm. All classes will have activities, demonstrations and exhibitions of the fantastic learning that they have been engaged in this year. There will be special showcases in the hall and around the school. I look forward to welcoming you to this annual event.

Book another day in your diary for our Sports Day - Tuesday 9th July with key stage 1 in the morning and key stage 2 in the afternoon. In between, I invite you all to join your children for our traditional family picnic.

Learning together, *M. Walsh*
